FARM CREDIT ADMINISTRATION

Market Access Agreement

AGENCY: Farm Credit Administration.

ACTION: Notice of approval of the Draft Third Amended and Restated Market Access Agreement.

SUMMARY: The Farm Credit Administration (FCA) announces that it has approved the Draft Third Amended and Restated Market Access Agreement (Draft Third Restated MAA) proposed to be entered into by all of the banks of the Farm Credit System (System or FCS) and the Federal Farm Credit Banks Funding Corporation (Funding Corporation). The Draft Third Restated MAA sets forth the rights and responsibilities of each of the parties when the condition of a System bank falls below pre-established financial thresholds. In prior draft amended and restated MAAs, although not required, the FCA published the draft document for comment prior to its approval. The revisions in this draft are minor, consisting primarily of replacing references to the previous FCA regulatory capital standards with references to the new FCA regulatory capital standards that became effective on January 1, 2017, as well as updating addresses. Therefore, the FCA has determined to approve the Draft Third Restated

MAA without a request for comments prior to approval; we will, however, review and consider any subsequent comments we may receive.

SUPPLEMENTARY INFORMATION:

System banks and the Funding Corporation entered into the original Market Access Agreement (original MAA) on September 1, 1994, to help control the risk of each System bank by outlining each party's respective rights and responsibilities in the event the condition of a System bank fell below certain financial thresholds. As part of

the original MAA, System banks and the Funding Corporation agreed to periodic reviews of the terms of the MAA to consider whether any amendments were appropriate. The original MAA was updated by the parties in 2003 in the Amended and Restated MAA and received FCA approval following notice and request for public comments in the Federal Register.¹

On December 3, 2010, the FCA Board approved amendments to the Amended and Restated MAA that would conform its provisions to the System banks' proposed Joint and Several Liability Reallocation Agreement (Reallocation Agreement) to ensure that the MAA provisions did not impede operation of the Reallocation Agreement; the amendments also provided that the MAA and the Reallocation Agreement are separate agreements, and invalidation of one does not affect the other. The FCA published these amendments in the Federal Register.² The proposed Reallocation Agreement is an agreement among the banks and the Funding Corporation that establishes a procedure for non-defaulting banks to pay maturing System-wide debt on behalf of defaulting banks prior to a statutory joint and several call by the FCA under section 4.4 of the Farm Credit Act of 1971, as

¹ 68 FR 19539 (April 21, 2003).

² 75 FR 76729 (December 9, 2010).

amended (Act).³ The FCA Board approved the proposed Reallocation Agreement on October 14, 2010, and notice of the approval was published in the Federal Register.⁴

The MAA was updated again by the parties in 2011 in the Second Amended and Restated MAA, as the first Amended and Restated MAA was set to expire at the end of 2011. The FCA approved the draft document on December 9, 2011 following notice and request for public comments, and notice of approval was published in the Federal Register.⁵

The Second Amended and Restated MAA established certain financial thresholds at which conditions are placed on the activities of a bank or restrictions are placed on a bank's access to participation in System-wide and consolidated obligations. The MAA established three categories, which are based on each bank's net collateral ratio, permanent capital ratio, and scores under the Contractual Inter-bank Performance Agreement, which is an agreement among the banks and the Funding Corporation that establishes certain financial performance criteria.

The Second Amended and Restated MAA has a termination date of December 31, 2025. The System banks and the Funding Corporation have requested the FCA to approve the Draft

⁵ 76 FR 77998 (December 15, 2011).

Third Restated MAA at this time in order to incorporate references to the FCA's new capital regulations, which became effective at on January 1, 2017. The parties propose to enter into the Draft Third Restated MAA by January 31, 2017, with a retroactive effective date of January 1, 2017.

The Draft Third Restated MAA retains the same general framework and most of the provisions of the Second Amended and Restated MAA. In Sections 1.04 through 1.07, the Net Collateral and Permanent Capital ratio levels would be replaced with the Tier 1 Leverage and Total Capital ratio levels, respectively, that would place a bank in either Category I, Category II, or Category III. The revisions take into account the new capital requirements set forth in § 628.10 - Minimum Capital Standards and § 628.11 - Capital Buffer Amounts. A bank would fall into revised Category I when either its Tier 1 Leverage or its Total Capital ratio drops below the relevant Capital Buffer floor. Further declines in either or both ratios below specified thresholds would cause the bank to fall into Category II and Category III. In addition, paragraph (g) of Section 6.03 has been revised to include "whether the Bank has evaluated and disclosed that it has substantial doubt about its ability to continue as a Going Concern" in addition to the criterion in the Second Amended and Restated MAA that

the committee consider whether a Bank's independent public accountants have included a Going Concern qualification in the Bank's most recent combined financial statements. In addition, the addresses of the System banks and the Funding Corporation have been updated.

The FCA Board hereby approves the Draft Third Amended and Restated MAA pursuant to sections 4.2(c), 4.2(d) and 4.9(b) (2) of the Farm Credit Act of 1971, as amended. The FCA's approval of the Draft Third Amended and Restated MAA is conditioned on the board of directors of each bank and the Funding Corporation approving the Draft Third Amended and Restated MAA. Neither the Draft Third Amended and Restated MAA, when it becomes effective, nor FCA approval of it shall in any way restrict or qualify the authority of the FCA or the FCSIC to exercise any powers, rights, or duties granted by law to the FCA or the FCSIC. Finally, the FCA retains the right to modify or revoke its approval of the Draft Third Amended and Restated MAA at any time.

The Draft Third Amended and Restated MAA, together with the recitals to the amendment, is as follows:

ARTICLE I - CATEGORIES

Section 1.01. Scorekeeper. The Scorekeeper, for purposes of this Restated MAA, shall be the Funding Corporation.

Section 1.02. CIPA Oversight Body. The CIPA Oversight Body, for purposes of this Restated MAA, shall be the same as the Oversight Body under Section 5.1 of CIPA.

Section 1.03. CIPA Scores. Net Composite Scores and Average Net Composite Scores, for purposes of this Restated MAA, shall be the same as those determined under Article II of CIPA and the Model referred to therein, as in effect on June 30, 2011, and as amended under CIPA or replaced by

successor provisions under CIPA in the future, to the extent such future amendments or replacements are by agreement of all the Banks.

Section 1.04. Tier 1 Leverage Ratio and Total Capital Ratio. Each Bank shall report to the Scorekeeper within 15 days after the end of each month its Tier 1 Leverage Ratio and Total Capital Ratio as of the last day of that month. Should any Bank later correct or revise, or be required to correct or revise, any past financial data in a way that would cause any previously reported Tier 1 or Total Capital Ratio hereunder to have been different, the Bank shall promptly report a revised Ratio to the Scorekeeper. Should the Scorekeeper consider it necessary to verify any Tier 1 Leverage Ratio and Total Capital Ratio, it shall so report to the Committee, or, if the Committee is not in existence, to the CIPA Oversight Body, and the Committee or the CIPA Oversight Body, as the case may be, may verify the Ratios as it deems appropriate, through reviews of Bank records by its designees (including experts or consultants retained by it) or otherwise. The reporting Bank shall cooperate in any such verification, and the other Banks shall provide such assistance in conducting any such verification as the Committee or the CIPA Oversight Body, as the case may be, may reasonably request.

Section 1.05. Category I. A Bank shall be in Category I if it (a) has an Average Net Composite Score of 50.0 or more, but less than 60.0, for the most recent calendar quarter for which an Average Net Composite Score is available, (b) has a Net Composite Score of 45.0 or more, but less than 60.0, for the most recent calendar quarter for which a Net Composite Score is available, (c) has a Tier 1 Leverage Ratio of 4.00 percent or more, but less than 5.00 percent for the last day of the most recent month or (d) has a Total Capital Ratio of 8.00 percent or more, but less than 10.50 percent for the period ending on the last day of the most recent month.

Section 1.06. Category II. A Bank shall be in Category II if it (a) has an Average Net Composite Score of 35.0 or more, but less than 50.0, for the most recent calendar quarter for which an Average Net Composite Score is available, (b) has a Net Composite Score of 30.0 or more, but less than 45.0, for the most recent calendar quarter for which a Net Composite Score is available, (c) has a Tier 1 Leverage Ratio of 3.00 percent or more, but less than 4.00 percent for the last day of the most recent month, (d) has a Total Capital Ratio of 7.00 percent or more, but less than 8.00 percent for the period ending on

the last day of the most recent month, or (e) is in Category I and has failed to provide information to the Committee as required by Article III within 2 Business Days after receipt of written notice from the Committee of such failure.

Section 1.07. Category III. A Bank shall be in Category III if it (a) has an Average Net Composite Score of less than 35.0 for the most recent calendar quarter for which an Average Net Composite Score is available, (b) has a Net Composite Score of less than 30.0 for the most recent calendar quarter for which a Net Composite Score is available, (c) has a Tier 1 Leverage Ratio of less than 3.00 percent for the last day of the most recent month, (d) has a Total Capital Ratio of less than 7.00 percent for the period ending on the last day of the most recent month, or (e) is in Category II and has failed to provide information to the Committee as required by Article III within 2 Business Days after receipt of written notice from the Committee of such failure.

Section 1.08. Highest Category. If a Bank would come within more than one Category by reason of the various provisions of Sections 1.05 through 1.07, it shall be considered to be in the highest-numbered Category for which it qualifies (e.g., Category III rather than Category II).

Section 1.09. Notice by Scorekeeper. Within 20 days of the end of each month, after receiving the reports due under Section 1.04 within 15 days of the end of the prior month, the Scorekeeper shall provide to all Banks, all Associations discounting with or otherwise receiving funding from a Bank that is in Category I, Category II or Category III, the FCA, the Insurance Corporation, the Funding Corporation, and either the CIPA Oversight Body or, if it is in existence, the Committee a notice identifying the Banks, if any, that are in Categories I, II and III, or stating that no Banks are in such Categories.

ARTICLE II—THE COMMITTEE

Section 2.01. Formation. A Monitoring and Advisory Committee (the "Committee") shall be formed at the instance of the CIPA Oversight Body within 7 days of the date that it receives a notice from the Scorekeeper under Section 1.09 that any Bank is in Category I, Category II or Category III (unless such a Committee is already in existence). The Committee shall remain in existence thereafter for so long as the most recent notice from the Scorekeeper under Section 1.09 indicates that any Bank is in Category I, Category II or Category III. If not already in existence, the Committee may also be formed (a) at the

instance of the CIPA Oversight Body at any other time, in order to consider a Continued Access Request that has been submitted or is expected to be submitted, (b) for purposes of preparing the reports described in Section 7.05, and (c) as provided for in Section 8.04(b).

Section 2.02. Composition. The Committee shall be made up of two representatives of each Bank and two representatives of the Funding Corporation. One of the representatives of each Bank shall be that Bank's representative on the CIPA Oversight Body. The other representative of each Bank shall be an individual designated by the Bank's board of directors, who may be a member of the Bank's board of directors or a senior officer of the Bank, in the discretion of the Bank's board. One of the representatives of the Funding Corporation shall be an outside director of the Funding Corporation designated by the Funding Corporation board of directors. The other representative of the Funding Corporation shall be designated by the board of directors of the Funding Corporation from among the members of its board and/or its senior officers. The removal and replacement of the Committee members designated directly by Bank boards of directors and by the Funding Corporation shall be in the sole discretion of each Bank board and of the Funding

Corporation, respectively. A replacement for a member of the CIPA Oversight Body shall automatically replace such member on the Committee.

Section 2.03. Authority and Responsibilities. The Committee shall have the authority and responsibilities specified in this Article II, in Sections 1.04, 3.01, 3.02, 3.05, 3.06, 4.02, 7.05, 8.04 and 8.08, and in Article VI, and such incidental powers as are necessary and appropriate to effectuating such authority and responsibilities.

Section 2.04. Meetings. Notwithstanding anything herein to the contrary, at all times, the Banks entitled to vote on Committee business shall be all Banks other than (i) those in Category II and Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and (ii) in the case of a Bank requesting a Continued Access Decision, such Bank. The initial meeting of the Committee shall be held at the call of the Chairman of the CIPA Oversight Body or a majority of the Parties entitled to vote on Committee business. Thereafter, the Committee shall meet at such times and such places at the call of the Chairman of the Committee or a majority of the Parties entitled to vote on Committee business. For all voting and quorum purposes each Party entitled to vote on Committee business shall act through at least one of its

representatives. Written notice of each meeting shall be given to each member by the Chairman or his or her designee not less than 48 hours prior to the time of the meeting. A meeting may be held without such notice upon the signing of a waiver of notice by all of the Parties entitled to vote on Committee business. All of the Parties entitled to vote on Committee business shall constitute a quorum for the conduct of business. A meeting may be held by a telephone conference arrangement or similar communication method allowing each speaker to be heard by all others in attendance at the same time.

Section 2.05. Action Without a Meeting. Action may be taken by the Committee without a meeting if each Bank and the Funding Corporation consent in writing to consideration of a matter without a meeting and all of the Parties entitled to vote on Committee business approve the action in writing, which writings shall be kept with the minutes of the Committee.

Section 2.06. Voting. The Funding Corporation and each Bank entitled to vote on Committee business shall have one vote on Committee business. Voting on Committee business (including recommendations on Continued Access Decisions, but not the ultimate vote on Continued Access Decisions, which is addressed in Article VI) shall be by

unanimity of the Parties entitled to vote on Committee business that are present (physically, by telephone conference or similar communication method allowing each speaker to be heard by all others in attendance at the same time) through at least one representative. If a Bank or the Funding Corporation has two representatives present, they shall agree in casting the vote of the Bank or the Funding Corporation, and if they cannot agree on a particular matter, that Bank or the Funding Corporation shall not cast a vote on that matter, and, in determining unanimity, shall not be counted as a Party entitled to vote on that matter.

Section 2.07. Officers. The Committee shall elect from among its members a Chairman, a Vice Chairman, a Secretary and such other officers as it shall from time to time deem appropriate. The Chairman shall chair the meetings of the Committee and have such other duties as the Committee may delegate to him or her. The Vice Chairman shall perform such duties of the Chairman as the Chairman is unable or fails to perform, and shall have such other duties as the Committee may delegate to him or her. The Secretary shall keep the minutes and maintain the minute book of the Committee. Other officers shall have such duties as the Committee may delegate to them. Should the Chairman be a representative of either a Category II or Category III

Bank, such individual will no longer be eligible to serve as Chairman. The Vice Chairman will thereafter perform the duties of Chairman, and if the Vice Chairman is unable, the Committee may elect a new Chairman from among its members.

Section 2.08. Retention of Staff, Consultants and Experts. The Committee shall be authorized to retain staff, consultants and experts as it deems necessary and appropriate in its sole discretion.

Section 2.09. Expenses. Any compensation of each member of the Committee for time spent on Committee business and for his or her out-of-pocket expenses, such as travel, shall be paid by the Party that designated that member to the Committee or to the CIPA Oversight Body. All other expenses incurred by the Committee shall be borne by the Banks and assessed by the Funding Corporation based on the formula then used by the Funding Corporation to allocate its operating expenses.

Section 2.10. Custody of Records. All information received by the Committee pursuant to this Restated MAA, and all Committee minutes, shall be lodged, while not in active use by the Committee, at the Funding Corporation, and shall be deemed records of the Funding Corporation for purposes of FCA examination. The Parties agree that

documents in active use by the Committee may also be examined by the FCA.

ARTICLE III - PROVISION OF INFORMATION

Section 3.01. Information To Be Provided By All Banks in Categories I, II and III. If a Bank is in Category I, Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and if the prior monthly notice by the Scorekeeper did not indicate that the Bank was in any Category, then the Bank shall within 30 days of receipt of the latest notice provide to the Committee: (a) a detailed explanation of the causes of its being in that Category, (b) an action plan to improve its financial situation so that it is no longer in any of the three Categories, (c) a timetable for achieving that result, (d) at the discretion of the Committee, the materials and information listed in Attachment 1 hereto (in addition to fulfilling the other obligations specified in Attachment 1 hereto) and (e) such other pertinent materials and information as the Committee shall, within 7 days of receiving notice from the Scorekeeper, request in writing from the Bank. Such Bank shall summarize, aggregate or analyze data, as well as provide raw data, in such manner as the Committee may request. Such information shall be promptly updated

(without any need for a request by the Committee) whenever the facts significantly change, and shall also be updated or supplemented as the Committee so requests in writing of the Bank by such deadlines as the Committee may reasonably specify.

Section 3.02. Additional Information To Be Provided By Banks in Categories II and III. If a Bank is in Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and if the prior monthly notice by the Scorekeeper did not indicate that the Bank was in Category II or Category III, then the Bank shall within 30 days of receipt of the latest notice provide to the Committee, in addition to the information required by Section 3.01, at the discretion of the Committee, the materials and information listed in Attachment 2 hereto (in addition to fulfilling the other obligations specified in Attachment 2 hereto). Such information shall be promptly updated (without any need for a request by the Committee) whenever the facts significantly change, and shall also be updated or supplemented as the Committee so requests in writing of the Bank by such deadlines as the Committee may reasonably specify.

Section 3.03. Documents or Information Relating to Communications With FCA or the Insurance Corporation.

Notwithstanding Sections 3.01 and 3.02, a Bank shall not disclose to the Committee any communications between the Bank and the FCA or the Insurance Corporation, as the case may be, or documents describing such communications, except as consented to by, and subject to such restrictive conditions as may be imposed by, the FCA or the Insurance Corporation, as the case may be. However, facts regarding the Bank's condition or plans that pre-existed a communication with the FCA or the Insurance Corporation and then were included in such a communication are not barred from disclosure by this section. The Committee shall decide on a case-by-case basis whether to request copies of such communications and documents from the FCA or the Insurance Corporation, as the case may be. Each Bank hereby consents to the disclosure of such communications and documents to the Committee if consented to by the FCA or the Insurance Corporation, as the case may be. Nothing in this section shall preclude a Bank from making disclosures to the System Disclosure Agent necessary to allow the System Disclosure Agent to comply with its obligations under the securities laws or other applicable law or regulations with regard to disclosure to investors.

Section 3.04. Sources of Information; Certification.

Information provided to the Committee under Sections 3.01 and 3.02 shall, to the extent applicable, be data used in the preparation of financial statements in accordance with generally accepted accounting principles, or data used in the preparation of call reports submitted to the FCA pursuant to 12 CFR 621, as amended from time to time, or any successor thereto. A Bank shall certify, through its chief executive officer or, if there is no chief executive officer, a senior executive officer, the completeness and accuracy of all information provided to the Committee under Sections 3.01 and 3.02.

Section 3.05. Failure to Provide Information. If a Bank fails to provide information to the Committee as and when required under Sections 3.01 and 3.02, and does not correct such failure within 2 Business Days of receipt of the written notice by the Committee of the failure, then the Committee shall so advise the Scorekeeper.

Section 3.06. Provision of Information to Banks. Any information provided to the Committee under Sections 3.01 and 3.02 shall be provided by the Committee to any Bank upon request. A Bank shall not have the right under this

Restated MAA to obtain information directly from another Bank.

Section 3.07. Cessation of Obligations. A Bank's obligation to provide information to the Committee under Section 3.01 shall cease as soon as the Bank is no longer in Category I, Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09. A Bank's obligation to provide to the Committee information under Section 3.02 shall cease as soon as the Bank is no longer in Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09.

ARTICLE IV - RESTRICTIONS ON MARKET ACCESS

Section 4.01. Final Restrictions. As of either,

(i) The 10th day after a Bank receives a notification from the Scorekeeper that it is in Category II, as indicated in the most recent notice from the Scorekeeper under Section 1.09, if it has not by said 10th day submitted a Continued Access Request to the Committee; or

(ii) If the Bank has submitted a Continued Access Request to the Committee by the 10th day after its receipt of notice from the Scorekeeper that it is in Category II, the 7th day following the day a submitted Continued Access Request is denied,

A Bank in Category II, as indicated in the most recent notice from the Scorekeeper under Section 1.09, (a) shall be permitted to participate in issues of Debt Securities only to the extent necessary to roll over the principal (net of any original issue discount) of maturing debt, and (b) shall comply with the Additional Restrictions.

Section 4.02. Category II Interim Restrictions. From the day that a Bank receives a notice from the Scorekeeper that it is in Category II until: (a) 10 days thereafter, if the Bank does not by that day submit a Continued Access Request to the Committee, or (b) if the Bank by such 10th day after it has received a notice from the Scorekeeper that it is in Category II does submit a Continued Access Request to the Committee, the 7th day following the day that notice is received by the Bank that the Continued Access Request is granted or denied, the Bank (i) may participate in issues of Debt Securities only to the extent necessary to roll over the principal (net of any original issue discount) of maturing debt unless the Committee,

taking into account the criteria in Section 6.03, shall specifically authorize participation to a greater extent, and (ii) shall comply with the Additional Restrictions. Notwithstanding the foregoing, the Category II Interim Restrictions shall not go into effect if a Continued Access Request has already been granted in anticipation of the formal notice that the Bank is in Category II.

Section 4.03. FCA Action. The Final Restrictions and the Category II Interim Restrictions shall go into effect without the need for case-by-case approval by FCA.

Section 4.04. Cessation of Restrictions. The Final Restrictions and the Category II Interim Restrictions shall cease as soon as the Bank is no longer in Category II, as indicated in the most recent notice from the Scorekeeper under Section 1.09. The Bank shall continue, however, to be subject to such other obligations under this Restated MAA as may apply to it by reason of its being in another Category.

Section 4.05. Relationship to the Joint and Several Liability Reallocation Agreement. A Category II Bank shall not be subject to the Final Restrictions and Category II Interim Restrictions, to the extent that the Final Restrictions and Category II Interim Restrictions would prohibit such Category II Bank from issuing debt required

to fund such Category II Bank's liabilities and obligations under the Joint and Several Liability Reallocation Agreement, if and when the Joint and Several Liability Reallocation Agreement is in effect among the Parties.

ARTICLE V - PROHIBITION OF MARKET ACCESS

Section 5.01. Final Prohibition. As of either,

(i) The 10th day after a Bank receives a notification from the Scorekeeper that it is in Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, if it has not by said 10th day submitted a Continued Access Request to the Committee; or

(ii) If the Bank has submitted a Continued Access Request to the Committee by the 10th day after its receipt of notice from the Scorekeeper that it is in Category III, the 7th day following the day a submitted Continued Access Request is denied,

A Bank in Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, (a) shall be prohibited from participating in issues of Debt Securities, and (b) shall comply with the Additional Restrictions.

Section 5.02. Category III Interim Restrictions.

From the day that a Bank receives a notice from the Scorekeeper that it is in Category III until: (a) 10 days

thereafter, if the Bank does not by that day submit a Continued Access Request to the Committee, or (b) if the Bank by such 10th day after it has received a notice from the Scorekeeper that it is in Category III does submit a Continued Access Request to the Committee, the 7th day following the day that notice is received by the Bank that the Continued Access Request is granted or denied, the Bank (i) may participate in issues of Debt Securities only to the extent necessary to roll over the principal (net of any original issue discount) of maturing debt, and (ii) shall comply with the Additional Restrictions. Notwithstanding the foregoing, the Category III Interim Restrictions shall not go into effect if a Continued Access Request has already been granted in anticipation of the formal notice that the Bank is in Category III.

Section 5.03. FCA Action. The Category III Interim Restrictions shall go into effect without the need for case-by-case approval by the FCA. The Parties agree that the Final Prohibition shall go into effect without the need for approval by the FCA; provided, however, that the FCA may override the Final Prohibition, for such time period up to 60 days as the FCA may specify (or, if the FCA does not so specify, for 60 days), by so ordering before the date upon which the Final Prohibition becomes effective pursuant

to Section 5.01, and may renew such an override once only, for such time period up to 60 additional days as the FCA may specify (or, if the FCA does not so specify, for 60 days), by so ordering before the expiration of the initial override period. If the Final Prohibition is overridden by the FCA, the Category III Interim Restrictions shall remain in effect.

Section 5.04. Cessation of Restrictions. The Final Prohibition and the Category III Interim Restrictions shall cease as soon as the Bank is no longer in Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09. The Bank shall continue, however, to be subject to such other obligations under this Restated MAA as may apply to it by reason of its being in another Category.

Section 5.05. Relationship to the Joint and Several Liability Reallocation Agreement. A Category III Bank shall not be subject to the Final Prohibition or Category III Interim Restrictions, to the extent that the Final Prohibition or Category III Interim Restrictions would prohibit such Category III Bank from issuing debt required to fund such Category III Bank's liabilities and obligations under the Joint and Several Liability Reallocation Agreement, if and when the Joint and Several

Liability Reallocation Agreement is in effect among the Parties.

ARTICLE VI - CONTINUED ACCESS DECISIONS

Section 6.01. Process. The process for action on Continued Access Requests shall be as follows:

(a) Submission of Request. A Bank may submit a Continued Access Request for consideration by the Committee at any time, including (i) prior to formal notice from the Scorekeeper that it is in Category II or Category III, if the Bank anticipates such notice, and (ii) prior to the 10th day after a Bank receives a notification from the Scorekeeper that it is in Category II or the 10th day after a Bank receives a notification from the Scorekeeper that it is in Category III.

(b) Committee Recommendation. After a review of the Request, the supporting information and any other pertinent information available to the Committee, the Committee shall arrive at a recommendation regarding the Request (including, if the recommendation is to grant the Request, recommendations as to the expiration date of the Continued Access Decision and as to any conditions to be imposed on the Decision). The Funding Corporation, drawing upon its expertise and specialized knowledge, shall provide to the Committee all pertinent information in its possession (and

the Banks authorize the Funding Corporation to provide such information to the Committee for its use as provided herein, and, to that limited extent only, waive their right to require the Funding Corporation to maintain the confidentiality of such information). The Committee shall send its recommendation and a statement of the reasons therefor, including a description of any considerations that were expressed for and against the recommendation by members of the Committee during its deliberations, together with the Request, the supporting information, a report of how the members of the Committee voted on the recommendation, a report by the Funding Corporation concerning its position on the recommendation, and any other material information that was considered by the Committee, to all Banks and the Funding Corporation by a nationally recognized overnight delivery service within 14 days after receiving the Request. If the Committee fails to act within such 14-day period, the Continued Access Request shall be deemed forwarded to all Banks entitled to vote thereon for their consideration. If the Committee has failed to act, the Funding Corporation shall send to all Banks, within 2 days following the deadline for Committee action, a report concerning the position of the Funding Corporation on the Continued Access Request.

(c) Vote on the Request. Unless otherwise expressly stated herein, the Banks entitled to vote on the Request shall be all Banks other than those in Category II and Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and other than the Bank requesting the Continued Access Decision. Within 10 days of receiving the Committee's recommendation and the accompanying materials (or, if the Committee failed to act within 14 days, within 10 days following the 14th day), the board of directors of each Bank entitled to vote on the Request, or its designee, after review of the recommendation, the accompanying materials, the report of the Funding Corporation, and any other pertinent information, shall vote to grant or deny the Request (as modified or supplemented by any recommendations of the Committee as to the expiration date of the Continued Access Decision and as to conditions to be imposed on the Decision), and shall provide written notice of its vote to the Committee. If the Committee has recommended in favor of a Continued Access Decision, the vote of a Bank shall be either to accept or reject the Committee's recommendation, including the recommended expiration date and conditions; if the Committee has recommended against a Continued Access

Decision or has failed to act, the vote of a Bank shall be either to grant the Continued Access Request on the terms requested by the requesting Bank, or to deny it. Failure to vote within the 10-day period shall be considered a "no" vote. A Continued Access Request shall be granted only upon a 100-percent Vote within the 10-day period, and shall be considered denied if a 100-percent Vote is not forthcoming by that day.

(d) Notice. The Committee shall promptly provide written notice to the Parties, the FCA and the Insurance Corporation of the granting or denial of the Continued Access Request, and, if the Continued Access Request was granted, of all the particulars of the Continued Access Decision.

Section 6.02. Provision of Information to FCA and the Insurance Corporation. The FCA and the Insurance Corporation shall be advised by the Committee of the submission of a Continued Access Request, shall be provided by the Committee with appropriate materials relating to the Request, and shall be advised by the Committee of the recommendation made by the Committee concerning the Request.

Section 6.03. Criteria. The Committee, in arriving at its recommendation on a Continued Access Request, and the voting Banks, in voting on a Continued Access Request, shall consider (a) the present financial strength of the Bank in issue, (b) the prospects for financial recovery of the Bank in issue, (c) the probable costs of particular courses of action to the Banks and the Insurance Fund, (d) any intentions expressed by the Insurance Corporation with regard to assisting or working with the Bank in issue, (e) any existing lending commitments and any particular high-quality new lending opportunities of the Bank, (f) seasonal variations in the borrowing needs of the Bank, (g) whether either the Bank has evaluated and disclosed that it has substantial doubt about its ability to continue as a Going Concern or the Bank's independent public accountants have included a Going Concern Qualification in the most recent combined financial statements of the Bank and its constituent Associations, and (h) any other matters deemed pertinent.

Section 6.04. Expiration Date. A Continued Access Decision shall have such expiration date as the Committee recommends and is approved by a 100-percent Vote. If the Committee recommends against or fails to act on a Continued Access Request, and it is subsequently approved by a 100-

percent Vote, the expiration date of the Continued Access Decision shall be the earlier of the date requested by the Bank or 180 days from the date the Request is granted. A Continued Access Decision may be terminated prior to that date, or renewed for an additional term, upon a new recommendation by the Committee and 100-percent Vote.

Section 6.05. Conditions. A Continued Access Decision shall be subject to such conditions as the Committee recommends and are approved by a 100-percent Vote. If specifically approved by a 100-percent Vote, administration of the details of the conditions and ongoing refinement of the conditions to take account of changing circumstances can be left to the Committee or such subcommittee as it may establish for that purpose. Among the conditions that may be imposed on a Continued Access Decision are (a) a requirement of remedial action by the Bank, failing which the Continued Access Decision will terminate, (b) a requirement of other appropriate conduct on the part of the Bank (such as compliance with the Additional Restrictions), failing which the Continued Access Decision will terminate, and (c) specific restrictions on continued borrowing by the Bank, such as a provision allowing a Bank in Category II to borrow only for specified types of business in addition to rolling over the

principal of maturing debt, or allowing such a Bank only to roll over interest on maturing debt in addition to rolling over the principal of maturing debt, or a provision allowing a Bank in Category III to roll over a portion of its maturing debt. The Committee shall be responsible for monitoring and determining compliance with conditions, and shall promptly advise the Parties of any failure by a Bank to comply with conditions. The Committee's determination with respect to compliance with conditions shall be final, until and unless overturned or modified in arbitration pursuant to Section 7.08.

Section 6.06. FCA Action. The Parties agree that a Continued Access Decision shall go into effect without the need for approval by the FCA, but that the FCA may override the Continued Access Decision, for such time period as the FCA may specify (or, if the FCA does not so specify, until a new Continued Access Decision is made pursuant to a recommendation of the Committee and a 100-percent Vote, in which case it is again subject to override by the FCA), by so ordering at any time.

Section 6.07. Notice to FCA of Intent to File Continued Access Request. A Bank that receives notice that it is in Category III shall advise the FCA, within 10 days

of receiving such notice, whether it intends to file a Continued Access Request.

ARTICLE VII - OTHER

Section 7.01. Conditions Precedent. This Restated MAA shall go into effect on January 1, 2017, provided, however, that on or before January 31, 2017 each Party has executed a certificate in substantially the form of Attachment 3 hereto that all of the following conditions precedent have been satisfied: (a) the delivery to the Banks of an opinion by an outside law firm reasonably acceptable to all of the Parties and in substantially the form of Attachment 4 hereto, (b) the delivery to the Funding Corporation of an opinion by an outside law firm reasonably acceptable to all of the Parties and in substantially the form of Attachment 5 hereto, (c) adoption by each of the Banks and the Funding Corporation of a resolution in substantially the form of Attachment 6 hereto, (d) action by the Insurance Corporation, through its board, expressing its support for this Restated MAA, and (e) action by FCA, through its board, approving this Restated MAA pursuant to section 4.2(c) and (d) of the Act, and (without necessarily expressing any view as to the proper interpretation of section 4.9(b)(2) of the Act) approving this Restated MAA pursuant to section 4.9(b)(2)

of the Act insofar as such approval may be required, which action shall (i) indicate that the entry into and compliance with this Restated MAA by the Funding Corporation fully satisfy such obligations as the Funding Corporation may have with respect to establishing "conditions of participation" for market access under section 4.9(b)(2), and (ii) contain no reservations or other conditions or qualifications except for those which may be specifically agreed to by the Funding Corporation's board of directors and the other Parties.

Upon execution of its certificate, each Party shall forward a copy to the Funding Corporation, attn. General Counsel, which shall advise all other Parties when a complete set of certificates is received.

If this Restated MAA becomes effective in accordance with this Section 7.01, the Second Restated MAA shall be amended and restated by this Restated MAA as of that date without further action of the Parties. If any term, provision, covenant or restriction of this Restated MAA is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Restated MAA shall remain in full force and effect and shall in no way be affected, impaired

or invalidated. If any term, provision, covenant or restriction of this Restated MAA that purports to amend a term, provision, covenant or restriction of the Original Agreement, the First Restated MAA or the Second Restated MAA is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, such term, provision, covenant or restriction of the Original Agreement, the First Restated MAA or the Second Restated MAA shall be considered to have continued and to be continuing in full force and effect at all times since this Restated MAA has purported to be in effect. The Parties agree that notwithstanding the occurrence of any of the foregoing events they will treat, to the maximum extent permitted by law, all actions theretofore taken pursuant to this Restated MAA as valid and binding actions of the Parties.

Section 7.02. Representations and Warranties. Each Party represents and warrants to the other Parties that (a) it has duly executed and delivered this Restated MAA, (b) its performance of this Restated MAA in accordance with its terms will not conflict with or result in the breach of or violation of any of the terms or conditions of, or constitute (or with notice or lapse of time or both constitute) a default under any order, judgment or decree

applicable to it, or any instrument, contract or other agreement to which it is a party or by which it is bound, (c) it is duly constituted and validly existing under the laws of the United States, (d) it has the corporate and other authority, and has obtained all necessary approvals, to enter into this Restated MAA and perform all of its obligations hereunder, and (e) its performance of this Restated MAA in accordance with its terms will not conflict with or result in the breach of or violation of any of the terms or conditions of, or constitute (or with notice or lapse of time or both constitute) a default under its charter (with respect to the Banks), or its bylaws.

Section 7.03. Additional Covenants.

(a) Each Bank agrees to notify the other Parties and the Scorekeeper if, at any time, it anticipates that within the following 3 months it will come to be in Category I, Category II or Category III, or will move from one Category to another.

(b) Whenever a Bank is subject to Final Restrictions, a Final Prohibition, Category II Interim Restrictions, Category III Interim Restrictions, or a Continued Access Decision, the Committee shall promptly so notify the Funding Corporation, and the Funding Corporation shall take all necessary steps to ensure that the Bank participates in

issues of Debt Securities only to the extent permitted thereunder. The Funding Corporation may rely on the determination of the Committee as to whether a Bank has complied with a condition to a Continued Access Decision.

(c) Each Bank agrees that it will not at any time that it is in Category I, Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and will not without 12-months' prior notice to all other Banks and the Funding Corporation at any other time, either (i) withdraw, or (ii) modify, in a fashion that would impede the issuance of Debt Securities, the funding resolution it has adopted pursuant to section 4.4(b) of the Act. Should a violation of this covenant be asserted, and should the Bank deny same, the funding resolution shall be deemed still to be in full effect, without modification, until arbitration of the matter is completed, and each Bank, by entering into this Restated MAA, consents to emergency injunctive relief to enforce this provision. Nothing in this Restated MAA shall be construed to restrict any Party's ability to take the position that a Bank's withdrawal or modification of its funding resolution is not authorized by law.

(d) Each Bank agrees that it will not at any time that it is in Category I, Category II or Category III, as indicated in the most recent notice from the Scorekeeper under Section 1.09, and will not without 12-months' prior notice to all other Banks and the System Disclosure Agent at any other time, fail to report information to the System Disclosure Agent pursuant to the Disclosure Program for the issuance of Debt Securities and for the System Disclosure Agent to have a reasonable basis for making disclosures pursuant to the Disclosure Program. Should the System Disclosure Agent assert a violation of this covenant, and should the Bank deny same, the Bank shall furnish such information as the System Disclosure Agent shall request until arbitration of the matter is completed, and each Bank, by entering into this Restated MAA, consents to emergency injunctive relief to enforce this provision. Nothing in this Restated MAA shall be construed to restrict the ability of the System Disclosure Agent to comply with its obligations under the securities laws or other applicable law or regulations with regard to disclosure to investors.

(e) Without implying that suit may be brought on any other matter, each Bank and the Funding Corporation specifically agree not to bring suit to challenge this

Restated MAA or to challenge any Final Prohibition, Final Restrictions, Category II Interim Restrictions, Category III Interim Restrictions, Continued Access Decision, denial of a Continued Access Request or recommendation of the Committee with respect to a Continued Access Request arrived at in accordance with this Restated MAA. This provision shall not be construed to preclude judicial actions under the U.S. Arbitration Act, 9 U.S.C. sections 1-15, to enforce or vacate arbitration decisions rendered pursuant to Section 7.08, or for an order that arbitration proceed pursuant to Section 7.08.

(f) The Funding Corporation agrees that it will not reinstitute the Market Access and Risk Alert Program, or adopt a similar such program for so long as both (i) this Restated MAA is in effect and (ii) section 4.9(b)(2) of the Act is not amended in a manner which would require, nor is there any other change in applicable law or regulations which would require, the Funding Corporation to establish "conditions of participation" different from those contained in this Restated MAA. Should the condition described in (ii) no longer apply and the Funding Corporation adopt a market access program, this Restated MAA shall be deemed terminated. All Banks reserve the right to argue, if the conditions described in clauses (i)

or (ii) of the preceding sentence should no longer apply and the Funding Corporation should adopt such a program, that any such program adopted by the Funding Corporation is contrary to law, either because section 4.9(b)(2) of the Act does not authorize such a program, or for any other reason, and the entry by any Bank into this Restated MAA shall not be construed as waiving such right.

(g) It is expressly agreed that the Original Agreement, the FCA approval of the Original Agreement, the First Restated MAA, the Second Restated MAA and the FCA approval of this Restated MAA do not provide any grounds for challenging the FCA or Insurance Corporation actions with respect to the creation of or the conduct of receiverships or conservatorships. Without limiting the preceding statement, each Bank specifically and expressly agrees and acknowledges that it cannot, and agrees that it shall not, attempt to challenge the FCA's appointment of a receiver or conservator for itself or any other System institution or the FCA's or the Insurance Corporation's actions in the conduct of any receivership or conservatorship (i) on the basis of this Restated MAA or the FCA's approval of this Restated MAA; or (ii) on the grounds that Category II Interim Restrictions, Final Restrictions, Category III Interim Restrictions, or Final

Prohibitions were or were not imposed, whether by reason of the FCA's or the Insurance Corporation's action or inaction or otherwise. The Banks jointly and severally agree that they shall indemnify and hold harmless the FCA and the Insurance Corporation against all costs, expenses, and damages, including without limitation, attorneys' fees and litigation costs, resulting from any such challenge by any Party.

Section 7.04. Termination. This Restated MAA shall terminate upon the earliest of (i) December 31, 2025, (ii) an earlier date if so agreed in writing by 100-percent Vote of the Banks, or (iii) in the event that all Banks shall be in either Category II or Category III. Commencing a year before December 31, 2025, the Parties shall meet to consider its extension. Except as provided in Section 7.03(f), it is understood that the termination of this Restated MAA shall not affect (i) any rights and obligations of the Funding Corporation under section 4.9(b)(2) of the Act, and (ii) any Bank's rights pursuant to any Final Restrictions, a Final Prohibition, Category II Interim Restrictions, Category III Interim Restrictions, or a Continued Access Decision then-in-effect.

Section 7.05. Periodic Review. Commencing every third anniversary of the effective date of this Restated MAA, beginning January 1, 2020, and at such more frequent intervals as the Parties may agree, the Banks and the Funding Corporation, through their boards of directors, shall conduct a formal review of this Restated MAA and consider whether any amendments to it are appropriate. In connection with such review, the Committee shall report to the boards on the operation of the Restated MAA and recommend any amendments it considers appropriate.

Section 7.06. Confidentiality. The Parties may disclose this Restated MAA and any amendments to it and any actions taken pursuant to this Restated MAA to restrict or prohibit borrowing by a Bank. All other information relating to this Restated MAA shall be kept confidential and shall be used solely for purposes of this Restated MAA, except that, to the extent permitted by applicable law and regulations, such information may be disclosed by (a) the System Disclosure Agent under the Disclosure Program, (b) a Bank, upon coordination of such disclosure with the System Disclosure Agent, as the Bank deems appropriate for purposes of the Bank's disclosures to borrowers or shareholders; (c) a Bank as deemed appropriate for purposes of disclosure to transacting parties (subject, to the

extent the Bank reasonably can obtain such agreement, to such a transacting party's agreeing to keep the information confidential) of material information relating to that Bank, or (d) any Party in order to comply with legal or regulatory obligations. Notwithstanding the preceding sentence, the Parties shall make every effort, to the extent consistent with legal requirements, securities disclosure obligations and other business necessities, to preserve the confidentiality of information provided to the Committee by a Bank and designated as "Proprietary and Confidential." Any expert or consultant retained in connection with this Restated MAA shall execute a written undertaking to preserve the confidentiality of any information received in connection with this Restated MAA. Notwithstanding the foregoing, nothing in this Restated MAA shall prevent Parties from disclosing information to the FCA or the Insurance Corporation.

Section 7.07. Amendments. This Restated MAA may be amended only by the written agreement of all the Parties.

Section 7.08. Dispute Resolution. All disputes between or among Parties relating to this Restated MAA shall be submitted to final and binding arbitration pursuant to the U.S. Arbitration Act, 9 U.S.C. sections 1-15, provided, however, that any recommendation by the

Committee regarding a Continued Access Request (including, if the recommendation is to grant the Request, recommendations as to the expiration date of the Continued Access Decision and as to any conditions to be imposed on the Decision), and any vote by a Bank on a Continued Access Request, shall be final and not subject to arbitration. Arbitrations shall be conducted under the Commercial Arbitration Rules of the American Arbitration Association before a single arbitrator. An arbitrator shall be selected within 14 days of the initiation of arbitration by any Party, and the arbitrator shall render a decision within 30 days of his or her selection, or as otherwise agreed to by the parties thereto.

Section 7.09. Governing Law. This Restated MAA shall be governed by and construed in accordance with the Federal laws of the United States of America, and, to the extent of the absence of Federal law, in accordance with the laws of the State of New York excluding any conflict of law provisions that would cause the law of any jurisdiction other than New York to be applied; provided, however, that in the event of any conflict between the U.S. Arbitration Act and applicable Federal or New York law, the U.S. Arbitration Act shall control.

Section 7.11. Headings; Conjunctive/Disjunctive; Singular/Plural. The headings of any article or section of this Restated MAA are for convenience only and shall not be used to interpret any provision of the Restated MAA. Uses of the conjunctive include the disjunctive, and vice versa, unless the context clearly requires otherwise. Uses of the singular include the plural, and vice versa, unless the context clearly requires otherwise.

Section 7.12. Successors and Assigns. Except as provided in the definitions of "Bank" and "Banks" in Article IX, this Restated MAA shall inure to the benefit of and be binding upon the successors and assigns of the Parties, including entities resulting from the merger or consolidation of one or more Banks.

Section 7.13. Counterparts. This Restated MAA, and any document provided for hereunder, may be executed in one or more counterparts. Transmission by facsimile or other form of electronic transmission of an executed counterpart of this Restated MAA shall be deemed to constitute due and sufficient delivery of such counterpart.

Section 7.14. Waiver. Any provision of this Restated MAA may be waived, but only if such waiver is in writing and is signed by all Parties to this Restated MAA.

Section 7.15. Entire Agreement. Except as provisions of CIPA are cited in this Restated MAA (which provisions are expressly incorporated herein by reference), this Restated MAA sets forth the entire agreement of the Parties and supersedes all prior understandings or agreements, oral or written, among the Parties with respect to the subject matter hereof.

Section 7.16. Relation to CIPA. This Restated MAA and CIPA are separate agreements, and invalidation of one does not affect the other. Should CIPA be invalidated or terminated, the Parties will take the necessary steps to maintain those aspects of CIPA that are referred to in Sections 1.01, 1.02 and 1.03 of this Restated MAA, and to replace the CIPA Oversight Body for purposes of continued administration of this Restated MAA.

Section 7.17. Third Parties. Except as provided in sections 2.10, 3.03, 7.03(g), 7.21 and 7.22, this Restated MAA is for the benefit of the Parties and their respective successors and assigns, and no rights are intended to be, or are, created hereunder for the benefit of any third party.

Section 7.18. Time Is Of The Essence. Time is of the essence in interpreting and performing this Restated MAA.

Section 7.19. Statutory Collateral Requirement. Nothing in this Restated MAA shall be construed to permit a Bank to participate in issues of Debt Securities or other obligations if it does not satisfy the collateral requirements of section 4.3(c) of the Act. For purposes of this Section, "Bank" shall include any System bank in conservatorship or receivership.

Section 7.20. Termination of System Status. Nothing in this Restated MAA shall be construed to preclude a Bank from terminating its status as a System institution pursuant to section 7.10 of the Act, or from at that time withdrawing, as from that time forward, the funding resolution it has adopted pursuant to section 4.4(b) of the Act. A Bank that terminates its System status shall cease to have any rights or obligations under this Restated MAA, except that it shall continue to be subject to Article VIII with respect to claims accruing through the date of such termination of System status.

Section 7.21. Restrictions Concerning Subsequent Litigation. It is expressly agreed by the Banks that (a) characterization or categorization of Banks, (b) information furnished to the Committee or other Banks, and

(c) discussions or decisions of the Banks or Committee under this Restated MAA shall not be used in any subsequent litigation challenging the FCA's or the Insurance Corporation's action or inaction.

Section 7.22. Effect of this Agreement. Neither this Restated MAA nor the FCA approval hereof shall in any way restrict or qualify the authority of the FCA or the Insurance Corporation to exercise any of the powers, rights, or duties granted by law to the FCA or the Insurance Corporation.

Section 7.23. Relationship to the Joint and Several Liability Reallocation Agreement. This Restated MAA and the Joint and Several Liability Reallocation Agreement are separate agreements, and invalidation of one does not affect the other.

ARTICLE VIII - INDEMNIFICATION

Section 8.01. Definitions. As used in this Article VIII:

(a) "Indemnified Party" means any Bank, the Funding Corporation, the Committee, the Scorekeeper, or any of the past, present or future directors, officers, stockholders, employees or agents of the foregoing.

(b) "Damages" means any and all losses, costs, liabilities, damages and expenses, including, without limitation, court costs and reasonable fees and expenses of attorneys expended in investigation, settlement and defense (at the trial and appellate levels and otherwise), which are incurred by an Indemnified Party as a result of or in connection with a claim alleging liability to any non-Party for actions taken pursuant to or in connection with this Restated MAA. Except to the extent otherwise provided in this Article VIII, Damages shall be deemed to have been incurred by reason of a final settlement or the dismissal with prejudice of any such claim, or the issuance of a final non-appealable order by a court of competent jurisdiction which ultimately disposes of such a claim, whether favorably or unfavorably.

Section 8.02. Indemnity. To the extent consistent with governing law, the Banks, jointly and severally, shall indemnify and hold harmless each Indemnified Party against and in respect of Damages, provided, however, that an Indemnified Party shall not be entitled to indemnification under this Article VIII in connection with conduct of such Indemnified Party constituting gross negligence, willful misconduct, intentional tort or criminal act, or in connection with civil money penalties imposed by the FCA.

In addition, the Banks, jointly and severally, shall indemnify an Indemnified Party for all costs and expenses (including, without limitation, fees and expenses of attorneys) incurred reasonably and in good faith by an Indemnified Party in connection with the successful enforcement of rights under any provision of this Article VIII.

Section 8.03. Advancement of Expenses. The Banks, jointly and severally, shall advance to an Indemnified Party, as and when incurred by the Indemnified Party, all reasonable expenses, court costs and attorneys' fees incurred by such Indemnified Party in defending any proceeding involving a claim against such Indemnified Party based upon or alleging any matter that constitutes, or if sustained would constitute, a matter in respect of which indemnification is provided for in Section 8.02, so long as the Indemnified Party provides the Banks with a written undertaking to repay all amounts so advanced if it is ultimately determined by a court in a final non-appealable order or by agreement of the Banks and the Indemnified Party that the Indemnified Party is not entitled to be indemnified under Section 8.02.

Section 8.04. Assertion of Claim.

(a) Promptly after the receipt by an Indemnified Party of notice of the assertion of any claim or the commencement of any action against him, her or it in respect of which indemnity may be sought against the Banks hereunder (an "Assertion"), such Indemnified Party shall apprise the Banks, through a notice to each of them, of such Assertion. The failure to so notify the Banks shall not relieve the Banks of liability they may have to such Indemnified Party hereunder, except to the extent that failure to give such notice results in material prejudice to the Banks.

(b) Any Bank receiving a notice under paragraph (a) shall forward it to the Committee (which, if not in existence, shall be formed at the instance of such Bank to consider the matter). The Banks, through the Committee, shall be entitled to participate in, and to the extent the Banks, through the Committee, elect in writing on 30-days' notice, to assume, the defense of an Assertion, at their own expense, with counsel chosen by them and satisfactory to the Indemnified Party. Notwithstanding that the Banks, through the Committee, shall have elected by such written notice to assume the defense of any Assertion, such Indemnified Party shall have the right to participate in the investigation and defense thereof, with separate
